Cassette Medication Cart

Avalo® Series ACXL Bin
Cassette Medication Cart

For the hospital environment, Avalo Series AC Medication Carts combine the latest medication cart design with plenty of capacity and simple maneuverability. Choose the drawer configuration and cassette size that best meets your requirements for highly secure and organized medication control.

The compact design provides plenty of storage while remaining lightweight enough for any healthcare personnel to control. Featuring a variety of available security measures to protect patients' privacy. Choice of 2 or 3 tier durable cassettes with the option of 5.5" or 8" bins to customize your storage configuration. Capacity for supplies, liquids and medication is configurable and varies by facility usage.

Well suited for:

- Medication administration process
- Organized med pass
- Improved nursing workflow

Well Suited For

- Canada-Nursing Home / Extended Care Facility
- Assisted Living
- Continuing Care Community
- Hospital
