

Avalo Spoolstor Auto Packaging Medication Cart

Capsa's Avalo Spoolstor carts provide flexible packaging organization in single, modular bins with dividers, clear lids and labeling space. The capacity is adjustable, with capacity from 40 bins (10 per drawer) to 56 bins (14 per drawer). Avalo carts are synonymous with durable construction, modular design for simple refurbishing, and optimum mobility to transport medications to the patient bedside. Quickly and easily locate everything you need for a fast, accurate medication pass, including medications, supplies, OTCs, PRNs, and liquids. Multiple accessories and locking systems on every Avalo cart further enhance convenience and security. Available in two widths to suit any resident population size.

Avalo Spoolstor is designed for:
