

## M-Series Auto Packaging Medication Cart

The Capsa M-Series line gives you a choice of models that support the required mix of lightweight performance, simple maneuverability, and huge storage capacity. Available in 5-drawer (38" height) and 6-drawer (42" height). You'll see how smart design provides plenty of room for supplies, OTCs, PRNs, liquids, and the ever-growing volume of routine packaged medications. A perfect balance of form and function so you can quickly and easily locate everything you need for a speedy and accurate medication pass. The M-series maintains plenty of room for liquid medicines and supplies.

M-Series is designed for:

- Canadian LTC facilities
- Medication administration process
