Avalo AC Anesthesia Cart

The Avalo AC Anesthesia Cart is designed with a synergy of function and technology to meet the unique requirements of your anesthesia storage, organization and security.

Flexible drawer configurations combined with optional drawer dividers and trays promote orderly storage. An innovative keyless access and automatic re-locking system provides secure and safe storage of anesthesia medications. Add another layer of security with an optional ID Badge card reader, or optical bar code scanner and cart user audit.

Designed for:

- OR Anesthesia Medication Storage
- Epidural Supplies
- General Mobile Anesthesia Workstation
