

Avalo Isolation Cart

The Avalo Isolation Cart provides ample drawer space to store and organize all of your isolation supplies, from gloves to gowns. Smooth panels, work surface and seamless drawers promote simple cleaning for infection control.

Large-volume drawer trays are supported by a unique guide system that ensures consistent performance year after year. Drawers open fully allowing easy access to contents in the rear of the drawer, and stay closed when the cart is in motion. Avalo's superior design offers durable service for long-term value and a solid feel compared to bent metal product alternatives.

Well Suited For

- Extended care facilities and nursing homes
- Acute Care Hospitals
- Rehab and psych environments

Key Features
