

Avalo Pediatric Crash Cart

The Avalo Series Pediatric Crash Cart is designed for use with the proven clinical methodology for treating life-threatening emergencies in pediatric patients. When seconds count, the color coded drawers enable doctors and clinicians to quickly identify critical supplies while responding to pediatric emergencies.

Contents are secured with a breakaway locking handle, yet a simple, swift motion can quickly break the tamper-evident seal for immediate access to all drawers and emergency supplies.

Well Suited For

- Acute Care Hospitals
- Children's Hospitals
- Pediatric Emergency Departments
