

Vintage Encore Auto Packaging Medication Cart

When homelike decor is needed, Capsa's Vintage Encore compact cart adds a touch of elegance to senior care settings. Now available in 4 sizes, Vintage Encore furniture-finish carts efficiently manage medications produced by automated packaging. Vintage Encore is a fresh advancement of our classic Vintage Series that was long valued for durability, security, and capacity. Vintage Encore carts now have work-saving features for nurses and enhanced styling for senior care facilities that are focused on creating a warm, inviting environment for its residents and their family members. Suit any resident population size.

Vintage Encore Series is designed for:

- Canadian LTC facilities – compact height
- Home-feel, wood furniture-style
- Medication administration process
